

**Application for Water Services and Sewerage Services Licences  
by Intelligent Business Water Limited**

**Notice of proposed licences and include a new ordinary condition in licences  
17 December 2021**

The Water Industry Commission for Scotland ("the Commission") hereby gives notice that on 26 November 2021 Intelligent Business Water Limited, Suite 4F, Ingram House, 227 Ingram Street, Glasgow, G1 1DA, made an application for water services and sewerage services licences in terms of section 6 of the Water Services etc. (Scotland) Act 2005.

The Commission proposes to grant this application and grant Intelligent Business Water Limited the water services and sewerage services licences. The Commission also proposes to modify the conditions of the water services and sewerage services licences to the extent of inclusion of a new ordinary condition in the attached form.

In accordance with its published guidance to applicants, the Commission wishes to consult with stakeholders on its proposal. Accordingly, we are publishing today the following documents for consultation:-

1. a proposed water services licence;
2. a proposed sewerage services licence

which include the proposed new ordinary condition. The Commission proposes to include this new condition in order to ensure its continuing ability to take regulatory action where considered necessary in order to protect the interests of customers.

Any person who wishes to make representations on the application should send their representations, in writing by e-mail to [enquiries@watercommission.co.uk](mailto:enquiries@watercommission.co.uk) no later than 06 January 2021.

Further information on how to make representations, including information on the treatment of confidential information, can be obtained from the Commission at the above address or at [www.wics.scot](http://www.wics.scot) or by telephoning 01786 430200.
