Annual Return and Information Request queries

Dear Simon

Annual Return 2021-22 and Information Request queries

We have reviewed the information in the Annual Return 2021-22 received on 28 September 2022. Our review has raised queries that are set out in the enclosed document titled 'AR22 queries'.

As set out in the delivery timetable previously agreed with Scottish Water (as shown in the table below), we look forward to receiving the responses to these queries by Wednesday 16th November 2022.

Date	Query/Response
26/10/2022	First round queries received from WICS
16/11/2022	SW respond to first round queries
30/11/2022	Second round queries received from WICS
14/12/2022	SW respond to second round queries

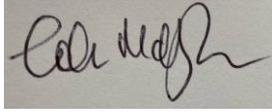

We also enclose our queries on the Information Request submissions received on 31st August 2022. These are set out in the document titled 'IR queries'. Taking account of the timescales for responding to the first round of queries on the annual return, we request responses to the queries on the Information Request by Friday 25th November 2022.

Yours sincerely,

WICS, First Floor, Moray House, Forthside Way, Stirling FK8 1QZ
