Dear Tom

Notification of name change from South Staffordshire Water Business Limited to SSWB Limited

As you are aware, South Staffordshire Water Business Limited (09911716) was granted water services and sewerage services licences on 08 June 2016.

Following customer research and feedback we made a decision to change the name to SSWB Limited.

The change was completed as of 23 May 2016 when Companies House confirmed a change of name from South Staffordshire Water Business Limited to SSWB Limited; I attach the Certificate of Incorporation on Change of Name for your records. The business will be known as, and will trade as SSWB.

Our company number and registered address remain unchanged.

Many thanks for your assistance; we look forward to working with you and participating in the Scottish retail water market.

Yours sincerely
