Applicants are required to complete this form when making an application for the consent of the Water Industry Commission for Scotland Commission (**the Commission**) to a transfer of a water services or a sewerage services licence. The form should be read in conjunction with "Guidance for completing Application Form for Consent to Transfer a Water Services Licence and/or a Sewerage Services Licence" (**the Guidance**), issued by the Commission. In The Water Services and Sewerage Service Licences (Scotland) Order, SSI 2006/464 (**the Order**), Scottish Ministers set out their requirements for the information to be provided in the application form for a licence (or licences). The Order was made pursuant to paragraph 1 of Schedule 2 of the Water Service etc. (Scotland) Act 2005 (**the Act**). This provision also applies to applications for consent to a transfer of a licence by virtue of paragraph 4(5) of Schedule 2 of the Act. This form reflects those requirements. Section 4 of the Guidance outlines, on a question-by-question basis, the information that we expect to be provided in response to the questions in this form.

Please note that any applicant who knowingly or recklessly makes a statement, in connection with an application for a licence, that is false or misleading in a material particular is guilty of an offence in terms of paragraph 4(6) of Schedule 2 of the Act.

Applicants will need to submit attachments for some of the questions on this form, for example questions 10 and 12, but may also attach additional pages should more space for response to any of the questions be needed. Any such additional pages should be numbered and the form should be marked indicating that they have been attached.

In completing an application for consent to a transfer of a licence (or licences), applicants should highlight (explaining their reasons) any information which they would not wish to be published or disclosed by us in due course.
